Vice- President Report – 5th May 2026

Highlighting on from the President's Report just wanted to commend the Sub-Committee for the Mother's Day Stall. Many hands make light work and this experience we hope can be shared and ideas discussed for when we begin to think about Father's Day. Whilst all is fresh it would be good idea for the Sub-Committee to just share some thoughts of what worked well and what could be improved (if needed) for the next time within your chat group and a document potentially emailed through.

The P&C would also like thank all the business's and people who donated to our Mother's Day Raffle.

LGIRS – Annual Reporting

We have found ourselves on a list for not-for-profit organisations who are “at risk” of being closed down with the LGIRS (Department of Local Government, Industry Regulation and Safety) The list is extensive with many P&Cs across WA listed.

I have been in contact with WACSSO (Western Australian Council of State Schools Organisations) to find out more about why we are on this list.

Each year we are meant to report to the ACNC (Australian Charities and Not-For-Profits Commission) our financials of the previous year who then pass this information on to the LGIRS.. Back in 2023 we were led to believe that WACSSO had done a bulk registration of P&Cs and that we were in fact updating this information and thought we were compliant.

Waccso have confirmed our information for 2024 has not been passed on to the LGIRS and I am currently signed up to participate in a webinar on a “how to” to get our outstanding information updated and ensure that when we need to submit our 2025 that this is done without any issues.

I will then ensure the “How to” is documented so we have a process in place for each year and subsequent P&C doesn’t find themselves with this same issue.

WACSSO have assured the P&Cs that it is not as simple as LGIRS can just close us all down. They are going to assist us with ensuring all issues are resolved.

Just wanted to share where we are currently at and our 2025 financial details and current Executive Committee details have been updated to WACSSO.

Regards

Sally Hollis
