

Aveley Primary School P&C

President's Report – 4 August 2026

Voluntary Contributions Prize

- Last semester we advertised the chance to win a \$100 gift card by paying your voluntary fees
- The semester one prize was drawn on 1 July 2026 and the grateful winner collected their gift card and a social media post was published with permission from the winner to mark the occasion.
- The semester two advertising will commence this week, with an intended draw date set for 1 December 2026

Hollywood Disco

- I would like to thank everyone for their collective efforts with the preparation and running of the Hollywood Disco.
- Special thanks to Natalie for assisting with ticketing and set up on the evening.
- We were also grateful to have a handful of teachers attend earlier sessions this year – this continues to build the school community relationship.
- Excellent feedback on the tightened pick up procedures at the end of each session
- Special mention to Taryn for her detailed work on the volunteer role allocations and management
- The pack down, clean up and lock up procedures at the end of the evening went without a hitch and I am thankful for all of those that stayed late to assist

Still to go this term....

- Please get behind these upcoming events in Term 3:
 - Father's Day Stall – Tuesday 1 and Wednesday 2 September
 - House Carnival - Friday 4 September
